

ROSEVILLE AREA SCHOOLS
Independent School District No. 623

Policy 528 – Dispensation of Medication for Students

Page 1 of 1

- 1.0 The School Board recognizes that state law defines the role of school districts in the dispensation of medication to students.
- 2.0 The School Board has determined that a medication dispensation procedure for students should be developed and implemented that will:
 - 2.1 Comply with the intent of state law.
 - 2.2 Provide protection for students taking medication.
 - 2.3 Provide direction for parents, physicians, and employees.
 - 2.4 Be included in the Board Policy Manual as regulations.

Adopted: 2/9/88
