Quality Teaching & Learning for All...Equity in All We Do

Learning Model School Teams Charge Statement

Purpose:

To have school-level stakeholder groups work together to effectively address challenges associated with implementation of learning models during the COVID-19 pandemic.

Selected aspects of the work of these school teams will be considered during the district's COVID-19 Planning meetings and will be brought to these meetings through the district-level administrative representatives who serve on the school teams.

Some areas for this group to consider include:

- Personal Protective Equipment (PPE)
- Social Distancing in classrooms, hallways, and during meals and associated signage
- Scheduling of students and staff as we move from one learning model to another
- School traffic flow at beginning and end of school day
- Communication following a COVID-19 case or outbreak

Membership:

- 3-6 Family Representatives
- 1 Nurse
- 1 Custodian
- 1 Nutrition Services staff member
- 1 Out of School Time (OST) staff member
- 3-5 Other School Staff Members
- 1-2 School Administrators
- 1 District Administrator
- 1 Cultural Liaison
- 1-2 Students (minimally at secondary schools)

Meeting Frequency:

Weekly initially and possibly moving to biweekly
