Parkview Center School Hours

7:35am - 2:00pm

December 23-31: Winter Break; No School

Parkview's main office will be closed over Winter Break.

Have a fantastic Winter Break - we'll see you next year!

Roseville School Nurse Openings

Are you interested, or know someone who is interested in working as a school nurse? School nursing is very aligned with public health nursing and can be both challenging and extremely rewarding. We have openings for school nurses in Roseville Area Schools.

Applications are posted on the [623 job web page](#).

Go to 'Student Services' for School Nurse applications.

Licensed School Nurse position requires a BSN. You can be in the process to get your LSN license. Experience is preferred, but not required. New school nurses will mentor with an experienced school nurse, and receive support from the whole nurse team.

For more details, please call or email either Licensed School Nurse.

COVID-19 Reminders

What can you do to keep COVID out of our schools?

Stay home when you have symptoms of COVID. Students can use the BinaxNow Antigen test to confirm whether their symptoms are caused by COVID. Other options include testing at a community clinic when symptomatic. Parkview's Parkview will be closed over Winter Break but onceschool resumes, you may call Parkview and we will assist you to access a clinic when you have symptoms. If you want a BinaxNOW test kit at home to use when someone has symptoms, please ask for one.

People with COVID may have one or more of these symptoms:

- Cough
- Fever of 100.4 or higher
- Difficulty breathing
- Sore throat
- Nausea and vomiting
- Diarrhea
- Muscle aches and pain
- Extreme fatigue
- New or severe headache
- Nasal congestion or runny nose
- New loss of taste or smell (this symptom is most unique to COVID)

Please stay home if you have symptoms! (thank you!)

Take a COVID test when you have symptoms.

If that test is NEGATIVE: return to school, when symptoms are improved.

If that test is POSITIVE: stay home and call Parkview at 651-487-4360.

Regular weekly COVID screen testing is also advised for everyone in our school community. Some people with COVID have NO symptoms! Regular screen testing helps to identify those individuals. Screen testing can be done at community clinics or through your healthcare provider.

You can search for a testing site [HERE](#).

Thank you for helping to keep COVID out of our schools!
