Community Invited to May 22 Public Meeting about Facilities

On Monday, May 22 at 6:30 p.m. at the Fairview Community Center, Roseville Area Schools is hosting a community meeting about the district’s facilities planning process.

Since last August, the district has worked with community members and staff members to look at the district’s buildings and determine the greatest needs when it comes to issues from security, air quality, roofs, floors, and windows to how the district will address growing space needs with student enrollment projected to grow by more than 1,000 students in the next 10 years. The plan evaluated needs at every school district building. Five key themes consistently emerged from community members and staff members:

- Safety and Security
- Physical Conditions
- Capacity
- Learning Spaces
- Community Spaces

Please join us on May 22 to learn more about the process as well as get answers to any questions you may have. For more information, visit isd623.org/facilities or call 651-635-1615.

PLEASE NOTE PARKING LOT SAFETY CONCERNS

For your safety and the safety of our students, we ask that cars please yield to school buses at drop-off and pick-up times. Please do not slip between buses as they are attempting to exit the parking lot.

As you come to Central Park as a visitor or to pick-up/drop-off students, please be conscious of where you park. Between heavy traffic at peak times of the day, volunteers, and traveling staff, parking can often be limited. We ask that visitors not block the passage of other drivers, block the fire and bus lanes, or park in spots designated as handicapped without proper ID. We want to create a safe environment for all who come in and out of Central Park. Thank you!

Minnesota Reading & Math Corps: Tutors Needed

Central Park Elementary is seeking someone who is passionate about supporting students in literacy or math

We are looking for Minnesota Reading and Math Corps tutors for the 2017-18 school year at Central Park Elementary. As a tutor, you will have the opportunity to work with students every day, during the school day and help them become successful readers or mathematicians!

Minnesota Reading and Math Corps provide comprehensive training in strategies proven to help students build reading and math skills. Tutors are paid a living allowance and are eligible for up to \$5,815 to pay tuition or repay student loans. Tutors 55 or older may gift the award to a child or grandchild. Tutors may be eligible for free health insurance and child care assistance.

Learn how you can get involved by visiting readingandmath.net. You can also help by telling a friend or family member (grandparents make great tutors, too!) about openings at our school! Positions start in August for the 2017-18 school year.

Please send questions to Samuel Lindberg, Program Manager for Minnesota Reading and Math Corps, at [612-486-2430](tel:612-486-2430) or samuel.lindberg@servetogrow.org

Roseville Parks and Recreation presents
SUMMER SESSION 2017

SAFETY AWARENESS

SELF-DEFENSE / AMERICAN KENPO KARATE

This program is designed to enhance self-esteem, safety awareness and self-defense. Basic karate moves, forms, and effective self-defense combinations are taught. The course also emphasizes communication skills, responsible citizenship and drug avoidance. It has been taught in connection with Roseville Parks and Rec. for 24 years. It is not a "quick fix/feel good" 2 hour seminar nor is it sport karate. Self-discipline and defense, rather than aggressiveness, are promoted. Parents are encouraged (at no extra cost) to participate with their child. JOIN THE FUN. The instructor is 8th degree Kenpo black belt Norm Rolando.

- PRACTICAL SELF-DEFENSE
- WELL STRUCTURED CURRICULUM
- CERTIFIED RANK WHITE TO BLACK
- AFFORDABLE AND FUN

- NOT "TROPHY KARATE"
- NO EXPENSIVE CONTRACTS
- NO HIGH PRESSURE SALES
- NO BELT TESTING FEE

WE GET THE BEST RESULTS FOR THE BEST PRICE
