From the Music Room

Dear Central Park Families,

I am excited to announce that I will be pursuing my masters degree! I am interested in music therapy and will be using the summer and the fall to shadow music therapists around the metro area before classes start in the spring!

Although I am excited to start this new adventure I will miss the Central Park Community and hope to stop by for a visit from time to time. It has been an honor to serve this community and I look forward to staying in touch!

Ms. Simpson

From the Gym

Jamie Lauinger, Physical Education Teacher

We've had a wonderful school year in physical education. The students have worked hard and really improved their skills. It is always enjoyable to see their smiling faces when they come into the gym. I encourage all of the students to stay active this summer! There are a lot of fun things they can do outdoors to stay physically fit.

On May 18, we had 32 6th graders compete in the District 623 track meet at Roseville Area High School. The 6th graders had six weeks of practice before school prior to the meet. We were
