A ROSEVILLE AREA SCHOOL

News for June 5, 2017

Hello RAHS Families-

As you may have seen in the news, our school community suffered a tragic loss when a RAHS senior student was killed in a motorcycle accident the evening before graduation. Our condolences continue to go out to the family and friends of this student during this difficult time. I want to recognize the senior class for coming together and supporting one another during the day of graduation in this regard.

A special thank you to all community members who volunteered to work the senior all-night graduation party. This safe and fun event wouldn't happen without the tremendous time and energy on the part of volunteers and the community business sponsors listed below.

This last week of school is the time of year when students assign themselves a promotion of sorts.....our juniors begin to call themselves seniors.....sophomores become juniors.....and freshmen instantaneously are sophomores! It's nice to know our students are proud of every step in their educational journey.

Please note the early dismissal times (10:20 a.m.) for the last two days of school, this Thursday and Friday.

We're looking forward to an exceptional finish of the school year!

"Summertime is always the best of what might be."
