

# Quantum Summer Program

AP Mini-Camp Application **Due Thursday, May 3 - Room B217**

This interdisciplinary program will explore the idea of CONFUSION in literature, art, history, science, and math. Students will explore CONFUSION through hands-on activities and problem-solving scenarios. The skills developed in this program are essential for all advanced coursework and will prepare students for success in their AP/CIS courses during the next school year. Materials, transportation, and lunch will be offered at no additional charge to families.

**Dates: July 30 - August 2nd, 6-9th from 9AM-1PM**

**Cost: \$25** (will be waived if student qualifies for free or reduced lunch)
