ParentVUE App

Download the free ParentVUE Mobile app! This app helps parents stay informed and connected by providing day-to-day insight into their child's academic experience. ParentVUE works with the Synergy student information system in much the same way as the ParentVue web portal, allowing parents to access near real-time information on assignments and scores, attendance and demographic information. ParentVUE offers parents a single sign-on to view all of their children's information regardless of school. We encourage all families to download this app.

- ParentVUE logins will be available at Back To School Night when you pick up your students schedule in the Media Center.

Switchboard Hours & Phone Calls

Our switchboard hours are from 7:30am to 3:30pm. If you need to speak to someone after 3:30pm during the school year, you may call the Activity Office at 651-482-5290. There is usually someone at that number until 5:00pm Monday through Friday.

During the course of an average school day we receive multiple calls from parents who wish to talk immediately to their students. RAMS policy is to not interrupt class. If a student forgets something like homework or lunch, it can be dropped off at the main office. The student can then come and pick it up after their next class.

ATTENDANCE

School attendance is important for student learning. RAMS uses an automated calling system for absences. If your student is marked unverified (absent) or tardy for ANY class period, you will receive an automated call that afternoon. Please use ParentVUE to then check your students' attendance.

Reporting Absences

- Parent/Guardian should call 651-482-5281 or email ramsattendance@isd623.org each day the student is absent.
- When leaving your message, please include the student name, grade, reason for absence, your name and a contact number.
- If unable to call or email, send a note when the student returns to school.

Leaving Early/Appointments

Students should bring a note to the office BEFORE school starts in the morning. Students will be given a pass to leave class at the appropriate time and can sign themselves out in the office. Students should sign back into the office when returning.

Tardy To School

Students should sign in the office when arriving late to school. Students should have a note or a call from a parent/guardian. Doctor/Dental appointments should provide a clinic note for absences.

Vacations

If you are taking a student out of school for two or more days, please send a note or contact the office one week prior. The student will be given a "Leave Form" for teachers to sign and use to get homework.

Early Student Arrival

School starts at 8:05am. Students who do not ride the bus should arrive at school no earlier than 7:45 am unless they have an appointment with a teacher or plan to eat breakfast (which starts at 7:30am) in the cafeteria. Students who arrive before 7:45 am will wait inside by the main entrance with limited to no supervision.

After School Pick-Up

Students should take the bus or be picked up by 3:00 pm unless staying after school for a planned activity/sport. We encourage all students to leave after school unless in a school-sanctioned activity or with a teacher as we have limited supervision after school.

Music Class Supplies Needed

All band and orchestra students will need an instrument in good playing condition. Some instruments are available for rent from the school; see music teachers for more details. More information about required lesson materials and other instrument specific supplies will be sent home during the first week of school.

Incoming 7th graders who play on school owned instruments should have returned their elementary instruments to their elementary schools. They will be issued a RAMS instrument the first week of school. All students should have a music stand at home for practice - some music stands are available to check out from the school library.

All beginning band students will have access to school owned instruments and equipment, more information will come home during the first weeks of school.

First Day

7th Grade students will start school on Tuesday, September 3rd, 2019 and 8th Grade students will start school on Wednesday, September 4th, 2019. This will allow our 7th grade students to familiarize themselves with their classes and the building prior to the 8th grade students starting.

iPad Program

iPads will be issued to all students within the first month of school to be used for academic use. By receiving an iPad you and your student are agreeing to follow the district's expectations for student iPad use as found in the 1:1 iPad Program Family & Student Guide. Program goals and other information can be found at www.isd623.org/digitallearn. You can also find this information by going to the RAMS webpage and clicking on 1:1 iPad Program under the "Families" tab.

Please complete the following steps by the first day of school:

1. Review the **1:1 Family & Student Guide** with your student(s).
<http://bit.do/familystudentipadguide>
2. Sign up for iPad insurance at <https://isd623.feepay.com> each year for each student.

Questions can be directed to available staff at the RAMS Back To school night and also through submitting a contact form on the 1:1 website. Students who leave RAMS during the school year **MUST** return the iPad and school issued charger before leaving or the family will be charged for the full replacement value. If the iPad is not returned and/or the value is not paid within two weeks of leaving RAMS, formal charges will be filed. All other students will return their iPads during the last week of school.

Personal Electronic Device/Backpack Policy

All personal electronic devices and backpacks need to be locked in student lockers from 8:05am to 2:40pm. This includes passing time and lunch time. If you need to contact your student during the school day, you may call the main office and we will contact them at the end of the next class period.

If a personal electronic device is out during the day, it will be collected by the administration and may be picked up by your student at the end of the day. If the device has been taken away before, a parent/guardian will be asked to pick it up from the office.

Lockers

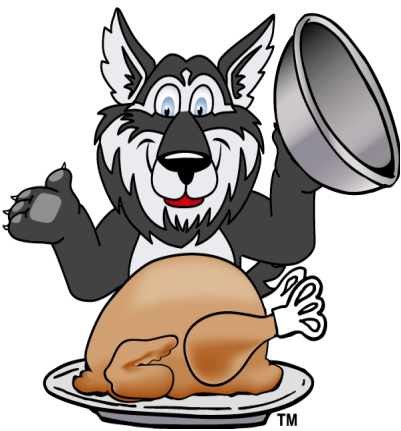

Each student is assigned a hall locker and a phy-ed locker, and they need a school lock for each. Students may get their hall locker assignment at Back To School Night. Those who do not attend orientation can get locker assignments in STAR on the first day of school. Phy-Ed locker assignments are made during the first week of school.

Locks will be available for purchase at Back To School Night and also in the Activity Office during the school year. Locks cost \$4.50 each for a new lock or \$1.00 each for used locks. They will be available for purchase in the Media Center during the Back To School Night on Wednesday, August 28th. Non-school locks will be removed from lockers. We encourage all students to always lock their personal belongings.

NUTRITIONAL SERVICES

Breakfast

Breakfast will be available for purchase beginning the first day of school and will be a bag breakfast that students take to their 1st period. Students should enter directly from the bus through Door #4 marked "Cafeteria", and may eat in the cafeteria from 7:30 am to 8:00 am.

Lunch

Students should never come home hungry after eating school lunch. We offer five choices: protein, whole grain, vegetables, fruits and a milk. Students are required to take at least three items.

Interactive menus can be found online at www.RosevilleNutrition.com.

Please call the RAMS Nutrition Manager at 651-482-5296 if you have any questions or concerns about the menu. If you use Paypams, you can easily find out what purchases your student has made.

Lunch Account Procedures

Students purchase all meals and snacks by depositing enough money in an account to cover what the student chooses to eat each day. Students are assigned a “pin” number that they memorize and keep confidential, and enter into a keypad at the cashiers stand.

Important information

- Returning students use the same pin number each year.
- New or transferring students will receive a new pin number.
- Parents wanting to restrict purchases made by their student may call the Nutrition Manager at 651-482-5296.

Payment Methods

Please check breakfast/lunch accounts frequently. Make checks payable to RAMS Nutrition. Money can be left in the “birdhouse” in the main office and should include the student’s name and pin number. Deposits made before 10:00am will be available for use that day. Parents may use a credit card by logging onto <https://paypams.com/>.

Free and Reduced Meals

All families experiencing financial difficulties should complete an Application for Educational Benefits. Applications are mailed to all families in August and are also available online beginning August 5th at <https://frapp.isd623.org/>. Return paper applications to RAMS or mail to Nutrition Services at the District Center, 1251 West County Road B2, Roseville, MN 55113.

- **A new application must be completed EACH YEAR.**
- Applications need to be submitted and approved by the first day of school to receive free/reduced lunches.

If applications are submitted late, families are responsible for paying the full price for meals until the application is approved.

HEALTH INFORMATION

Medications

All regularly prescribed medication as well as non-prescription medication (e.g. ibuprofen/Tylenol) taken by students must be dispensed through the Health Office. Inhalers for the treatment of asthma and epi-pens may be carried by the student with the proper authorization. All students who request permission to self-carry must first pass a test given by the school nurse. Students are not permitted to share medication with anyone else.

A new medication permission form is required each school year.

You may pick up the medication permission form at the nurses office or print one from the district website:

(<https://www.isd623.org/our-district/education-services/student-services/health-services>).

Immunizations

Minnesota School Immunization law requires documentation of immunizations to be on file at school prior to the start of school. Students entering 7th grade typically need to get the “7th grade boosters” of 1 Tdap (tetanus) vaccine and 1 meningitis vaccine.

All 7th and 8th graders are required to show proof of the following:

3 Hepatitis B doses

1 Tdap and 2 Tetanus and Diphtheria doses

3 Polio doses

2 Measles, Mumps and Rubella (MMR) doses

1 Meningococcal dose

2 Varicella doses or a record from the doctor of having had the chickenpox

A notarized statement must be on record if you a conscientious objector or are unable to receive an immunization due to a medical condition. The school health office can provide you with that form.

Immunizations can be obtained at your medical clinic with or without a physical exam. If you are without health insurance, vaccines can be obtained at the Ramsey County Public Health Clinic. Please call 651-266-1234 for more information and clinic hours.

Please notify your school health office whenever your child receives a vaccination. It is important that we maintain accurate immunization records. If you have any questions about which vaccines your student needs, contact the school health office at 651-482-5291. For further information on immunizations from the Minnesota Department of Health, go to www.health.state.mn.us/immunize.

Food Allergies

Students who have food allergies need to contact the school nurse. We will make every effort to provide gluten free or dairy free items. Please submit a Special Diet Food Request form to your physician to be returned to Angela Richey at the district center to authorize substitutions. No alternatives will be made without a Special Diet Food Request form on file. You may pick up the form at the nurses office or print one from the district website (<http://rosevillennutrition.com/?page=main>).

We are often asked to substitute milk with orange or other fruit juice. Please be aware that there is no nutritional comparison between juice and milk. We offer lactose free milk and soy milk.

ACTIVITIES/ATHLETICS

After School Activities

A list of extracurricular activities will be available to students in late September and will be posted on the RAMS website. The selection of activities varies each year depending on what is proposed by staff and members of the community. Students must register and pay at the Activity Office. Activities may have different fees, depending on length and other expenses.

Some activities meet in the morning before school, but most will take place after school. This makes it very difficult for a student to be in both a sport and an after-school activity during the same session. A student can jump into some activities mid-session when his/her sport season ends.

In the past RAMS as offered academic clubs like Science Club, International Club, Hmong Writing; academic teams like Destination Imagination, Future Problem Solvers, Math Counts; performing arts like Morning Choir, Jazz Band, Theater; creative arts like Pottery Club, Painting Club, Anime Club, athletic activities like Rock Climbing, Ultimate Frisbee, Badminton; and game clubs like Chess Club, Trading Card Club.

Anyone in the community who is interested in offering an extra-curricular activity may contact Mr. Holmes at 651-482-5290 for more information.

Unity Center

Unity Center is an afterschool program available to RAMS students federally funded by 21st Century Community Learning Center grants. The goal of this grant is to bring “learning to life” by uniting as a community to see that all of our students have the opportunity to learn, earn and lead.

Unity meets Monday through Thursday from 2:50 pm - 5:00 pm and runs from late September through late May. There is no cost and after school snacks are provided. Regular attendance is required. Watch for

registration materials in September. Contact the RAMS Unity Site Coordinator at 651-288-5017 for more information.

Unity offers a variety of unique academic, artistic and cultural enrichment opportunities that focus on building 21st century skills, i.e. self direction, perseverance, leadership and critical thinking. We do this through programming in the following areas:

- STEAM - Science, Technology, Engineering, Arts and Math
- Health and Wellness
- Leadership Development and Team Building
- Problem Solving and Critical Thinking
- Career Development
- Academic Support (Targeted Services)

Activity Buses

RAMS offers transportation within district 623 for students who stay after school to participate in athletics, activities, academic help or detention. A bus pass is required to board any activity bus. Students staying after for academic reasons should request 1-day pass from their teachers, which they give to the driver when boarding. Students staying after for regular activities like sports or theater should request a seasonal pass from the coach or director. If the seasonal pass is lost, a replacement can be obtained from the adult supervisor of the activity.

Students who are not directly involved in a supervised activity are expected to leave school at the end of the day. Students are not allowed to leave RAMS property and then return to school to ride the activity buses.

Maps of the activity bus routes are posted by the Activity Office and Media Center. There are no predetermined stops. Drivers follow set routes and pull over at safe locations when asked. The buses leave from the front of the school at the following times Monday through Friday:

- Bus 1, 4:10pm = To RAHS and then the west end of the district
- Bus 2, 4:20pm = East area of the district
- Bus 3, 4:20pm = Middle area of the district

There are also two late activity buses Monday through Thursday. There are no late activity buses on Fridays.

- Bus 1, 5:15pm = West end of district
- Bus 2, 5:15pm = East end of district

Sports Physicals

To register for a sport, a student MUST have an updated Sports Physical Form (within the last 3 years) entered into the registration program by the activity office. These physicals must note that the student is cleared by their physician to play sports. Please contact the Athletic Office if you are unsure if your physical is up to date. Blank forms are available online and in the Activity Office.

Athletic Registration

The link to the online registration is <http://isd623.feepay.com> which can be found on the RAMS Athletic webpage. All information should be reviewed by the student and parent/guardian before signing. The registration process, including payment, must be completed online or at the activity office before a student is cleared to participate. If needed there are computers available at RAMS for this.

No student will be allowed to participate in practices or games of any sport until the sports physical requirements and registration process is complete!

Refund Policy

In case of a major injury or a move out of the district during the first half of the season, 100% of the fee will be refunded. No refund will be granted after the midpoint of the season. There will be no refunds after the first

game for athletes who quit voluntarily or who are removed from participation for attendance or other disciplinary reasons.

Reduced Fees

Families who qualify for free or reduced lunches are eligible for reduction of athletic fees upon application. Applications are done online at <https://frapp.isd623.org/>. Further financial assistance is available as needed. Please contact the RAMS Athletic Office at 651-482-5290 with any questions.

Practices/Games

Practices are every school day, normally from 3-5pm on Monday through Thursday, and 3-4pm on Friday. For a link to current game schedules go to www.isd623.org/rams

- Click “Academics & Activities”
- Look for “Suburban East Conference Schedules”
- Click “Calendar” (in the black bar at the top)

Transportation will be provided to and from all away games, but athletes will need to provide their own transportation home from RAMS on game nights. This also pertains to home games as they end after the activity buses have left.

RAMS THEATRE

A Spotlight for Everyone! Every RAMS student who is interested and willing to make the after school commitment is guaranteed a spot on the stage or behind the scenes for our RAMS Theatre productions. No previous experience is necessary! Theatre is a great way to make new friends and get connected at school.

Ways You Can Be Involved in Theatre

The time commitment varies according to which “part” you play or which job you have in the show

- **As An Actor:** Actors must audition! Audition information is posted in the hallways, on the RAMS Theatre bulletin board and in the Schoology announcements so that you can prepare. Students only come to one audition day unless we need to see you another time and then you will be called back for an additional audition. Anyone who auditions will be a part of the cast! Students who audition to be an actor in a show will rehearse after school 2-5 days a week.
- **As A Crew Member:** Crew will go at the listed time and to the listed location to sign up to participate in crew. Because there are only so many jobs available for crew members, each production's crew will have a limited number of 35 crew positions available. Sign-ups will happen during the time of auditions. Crew positions that students work on are: prop making, set building and painting, costuming, lighting, sound and running crew. Students who choose to participate in the crew will stay after school one day a week.

Actors and crew members will come together for tech week when both groups will be in the RAMS Theatre for every dress rehearsal and the final performance weekend. Please see below for each show's audition dates, crew sign-up times, mandatory dress rehearsals and performance weekends.

If you choose to participate in a production there will be an activity fee for cast and crew to help cover costs of the productions (fees vary based on free/reduced lunch). Theatre students can also ride the activity buses home after rehearsal and crew.

Please note: Sports conflict with the play rehearsals during each of our three productions because they practice or have games every day after school at the same time theatre meets. Students will not be able to participate in a sport and theatre during the same season.

Theatre Donations

The RAMS Theatre program is always looking for donations to help the program throughout the school year. Items we use on a regular basis are:

- Empty yogurt, ice cream, cottage cheese, etc. containers with lids
- Vintage/interesting clothing and accessories
- Material (cloth for making costumes and backdrops)
- Painting materials (paint, brushes, rollers, trays, etc.)
- Organizational bins
- Anything else you think we could use in the RAMS Theatre

2019-2020 Season

Please note that all dates of auditions are subject to change. Please watch the daily Schoology announcements and RAMS Theatre bulletin board for information about the most current show.

PLAYWRITING WORKSHOP

What: groups of 3-4 students will work together with our resident playwright, Joan Linck and program director, Linsey Owen to write 2-3 short one-acts, approx. 15 mins in length, for the winter one-act session. Students will work after school once a week and be expected to do writing and editing at home. We will meet again in December, after Thanksgiving, a couple of times to finalize edits for our start of the One-act season in January. See Ms. Owen in the principal's office for more information.
