Health & Wellness
Stay up-to-date on personal care, insurance, medications, and more with RASP health education and classes such as blood pressure screenings, wellness discussions, and support groups. Senior focused fitness and aquatics classes are available through community education adult enrichment.

Service Coordination
Connect with local and metro community services and resources. RASP staff will help you navigate resources with phone consultations, in-home assessments, and setting goals. There is a fee and you may qualify for a sliding fee amount based on your income.
Volunteering
Volunteers of all ages assist our program in a variety of ways. Volunteer opportunities include delivering and packing meals for Meals on Wheels, driving community members to medical appointments, leading special interest groups, office support, and much more. For more information or to apply, email rasp@isd623.org or call 651.604.3520.

Publications
RASP’s bi-monthly newsletter, “Seasons,” provides current Roseville Area Senior Program activities and news. “Seasons” can be viewed at www.isd623.org/RASP along with an activity calendar and Flaming Spoon monthly menu. To receive the “Seasons” by mail or by email contact us to be added to the mailing list.

Transportation
RASP can help you get around our community. Our bus provides door-to-door transportation service for many needs: medical, banking, shopping, volunteering, recreation, etc. The route varies daily depending on riders and destinations. We also have volunteer drivers who use their own vehicles to provide rides to medical and dental appointments. Advance registration is required. There is a fee and you may qualify for a sliding fee amount based on your income.

Meals on Wheels
Meals on Wheels is an integral part of RASP’s mission and commitment to serving the community’s older and disabled adults. The Meals on Wheels program provides fresh, nutritious daily meals for homebound older and disabled adults and those who choose not to cook for themselves. The program also provides a wellness visit from volunteers and a way to connect older adults to other community services.

Advance registration is required to start this service. There is a fee and you may qualify for a sliding fee amount based on your income.
