Notes: Building aide needed from 5:30-8:30. Tech support needed from 4:30-7:30. Set-Up: they will need the main area of the cafeteria set up for 450 people they will be having a pot luck and would like 4-5 long tables put up in front of the pillars so they can plug things in if needed. The area by the windows will need tables down and will be used as an area to keep the children until they go on stage. They will only use the staff dining room to get water from the sink.
