Quality Teaching & Learning for All...Equity in All We Do

## 1:1 Digital Learning with iPads

Fall 2018

Dear Families of Incoming Seventh Graders,

As you may already know, Roseville Area Schools has a 1:1 digital learning program to take advantage of the many benefits that come with providing equitable access to educational technology. "1:1" refers to one device for each student. For the 2018/19 school year, students in grades 7-12 will participate in the 1:1 program and will be issued an iPad for use during the school year.

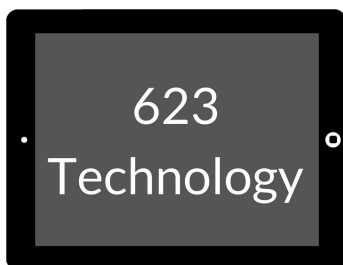

This letter is to inform you that your child will be issued an iPad as a part of this program as he/she enters into seventh grade. During RAMS Open House there will be staff available in the Media Center to answer any questions you may have about the 1:1 iPad program, as well as provide information about the digital contract and insurance steps that should be completed by the first day of school. If you'd like to complete the digital contract and sign up for iPad insurance now you can do so at this link:

<http://bit.do/ipadfamilyguide>.

If you would like to access information including the 1:1 program goals, policies, behavior expectations before Open House, you can visit the 1:1 site online at [www.ISD623.org/digitallearn](http://www.ISD623.org/digitallearn). You can also get there by going to the main school webpage and clicking on Digital Learning Initiative 1:1 Program under the *Parents* tab.

Thank you, and we look forward to partnering with you in the upcoming school year!

Roseville Area Schools  
Technology Team
