Resources for You and Your Family

Individual Parent Education
One-to-One Visits provide education and support to parents with children from birth to age 5. A licensed parent educator can work with you by phone, email, a home visit, Skype, or by appointment at Parkview Center School or Fairview Community Center. Visits can include:

• Current information on parenting and child development issues.
• Activities for young children.
• Information about resources through the district and in the community.
• A New Baby packet and much more!

This helpful service is free to parents with infants, toddlers and preschoolers living in the Roseville School District. For more information or to arrange a visit, please call the ECFE office at 651-487-4378.

Toy Lending Library
It’s like having new toys every week!
Open to all individuals, families and childcare providers.
Free membership! You can check out:
• Slides, riding toys, infant, toddler and preschool toys.
• Puzzles, games.
• Children’s books and parenting magazines/books
• You can register online at isd623.org/ECFE.

Refer a Child to Help Me Grow
If you have concerns about your child’s development, talk to your health care provider, or call Help Me Grow at 651-604-3700. Someone will assist you to arrange for a free screening or evaluation to determine if your child is eligible for Help Me Grow: Early Intervention Service. Early childhood specialists will work with eligible children and families to plan the services and support they need.

Are You on the Roseville Area Schools District Database?
Do you have a new baby? Did you get this brochure from a friend? If so, your child’s name is not on the Roseville Area Schools’ database. By registering your child’s name now you will be notified of early childhood screening, when to register your child for kindergarten, and receive district publications including this brochure. Call now: 651-635-1600.

Early Childhood Screening
Roseville Area Schools Early Childhood Program recommends that children be screened at age 3.
Screening is free and helps you:
• Find out how your child is growing and developing.
• Connect with early learning programs and services.
• Find resources for your parenting questions.
Call to make an appointment: 651-487-4378, ext. 3.

Early Childhood Advisory Council
Get more involved by joining the Early Childhood Advisory Council! This Council provides opportunities to advise program development and evaluation. Call Tamy Reese, early childhood manager, at 651-487-4367 for more information.
You are your child’s first and most important teacher.

We want to support your family during these first years of your child’s life! Our high-quality early childhood classes are for you and your young children – birth to prekindergarten age.

A typical class includes:

• Parent-Child Activity: Time when you and your child enjoy a classroom together that’s filled with developmentally appropriate play and learning activities.
• Parent Discussion: You’ll meet with other parents and a licensed parent educator to share experiences and information about child development and parenting techniques.
• Children’s Activity Time: While you are in Parent Discussion (in separating classes), children learn and play with licensed early childhood teachers. Children practice social skills and will enjoy music, art, stories and large/small muscle activities.

Choosing an ECFE class

Separating Classes

• Parents and children interact and explore activities together for the first part of class. This provides an opportunity to spend uninterrupted time with your child exploring games, creative activities, books, science, dramatic play and more!
• Following parent/child interaction time, parents meet in a separate classroom with a licensed parent educator for discussion of topics related to child development and parenting.
• While parents meet for parent discussion, children participate in age-appropriate activities with a licensed early childhood teacher and a teaching assistant. Children are provided experiences which encourage social, emotional, physical and cognitive development.

Non-Separating Classes:

• Parents and children stay together in the classroom for the entire class.
• Parents remain in the same room with children and interact with them in varied learning and play activities.
• A licensed parent educator leads discussion on topics such as child growth and development, the transition to parenthood, and how children learn and play.
• Discussion, sharing, and support take place within sight and sound of playing children.

Parenting-Only Classes

• Parents will meet the entire class discussing parenting topics.
• Register for child care. Children will experience educational activities in an early childhood environment.

Sibling Care:

• Child care is offered to siblings of class participants. Sibling care is available on a sliding-fee scale.
• Sign up for sibling care on your registration form, Page 16, or at isd623.org/ECFE.
• Children will be cared for by Early Childhood staff.

Our Promise

Fees for ECFE classes are on a sliding fee scale according to family income.
No one will be turned away because of inability to pay for an ECFE class.
These classes support children and parents during the first year of life. Through the use of music, sensory activities, movement and language development, you and your child will experience activities that enhance brain development. For separating classes, parents will meet to discuss topics of interest after parent and child activity time. Topics may include: sleep, brain development, how babies learn and play and more! For non-separating classes a parent educator will be available to answer your parenting questions and there will also be time to learn and share ideas with other parents.

### 3-5 yrs

Join us for these classes in addition to pre-K or as a standalone class. These classes include parent discussion.

#### #605: This class will focus on the social and emotional development of children 3-5 years, including naming feelings and making friends. Activities and parent discussion will focus on topics unique to this pre-K stage of development.

#### #606: Enjoy activities with your child followed by a discussion on parenting your preschooler.

#### #607: Come and join us for parent/child pre-K class time with your preschooler and a discussion on parenting a 3-5 year old.
SPECIAL TOPICS
Winter/Spring 2020

#601 Dad and Me!
This class lets dads play with their children and discuss some issues unique to fatherhood. During the beginning of class, enjoy crafts, group games and literacy activities with your child. The second half of class will be a dad-only discussion about fatherhood, discipline and parenting goals.

#502 Parent Focus – see Page 18

#615 and #616 Grandparents
Enjoy special time with your grandchild followed by a discussion on grandparenting in today's world.

We want to accommodate your busy schedule! That's why we also offer evening and Saturday classes, which follow the same format and provide the same experiences as our daytime classes, but at times that are convenient for the modern family.

MUSIC CLASSES

Winter/Spring 2020

Age-appropriate music classes are available for multiple ages (birth to 5 years). Local music school Wee Bop (operating since 2005) will offer high-quality music classes through the ECFE program. Registration includes a CD and a percussion instrument.

The fee for each class is $165 for 10 classes. Payment is due in full at the time of registration. All classes will be held at Parkview Center School in the Early Childhood Center. Siblings can attend for $110 per child. The siblings will remain in the same room. Cancellations only through the first week of classes will be prorated minus a $10 cancellation fee. There will be no music classes on 10/15 and 11/19. Age as of September 1, 2019.

#M01 My First Music Class (0 – 12 months)
This music class is for the youngest musicians – lap babies, crawlers and first walkers. You and your little one will explore the world of music through children's folk songs, nursery rhymes, lullabies, age-appropriate instruments and movement. Connect with other families and expand your home musical repertoire while you begin to nurture a musical bond with your baby.

#M02 Tots & Tunes (13 – 24 months)
Just the thing for these busy learners who want to move and explore! Engage them through singing, hand instruments, action songs, parachute play, rhythmic patterns, dancing and movement while developing their cognitive, physical and social skills.

#M03 Instrument Adventures (25 – 36 months)
Excite the natural curiosity of these growing kids through the exploration of drums, horns, and hand instruments. Each week there is a new featured instrument the kids can touch and “play.” The pace of this class is upbeat as we move, sing and dance to the latest children’s music, appealing to both children and adults.

#M04 Family Fun (6 months – 5 years)
Your teacher makes sure your family has the best possible experience and the class is age-appropriate by giving options for those content in a lap and those ready to move on their feet. Activities promote the development of small motor skills through playing egg shakers, rhythm sticks, guiros, jingle bells and drums, and large motor skills through dancing, hoops, scarves, ribbons and action songs. Kids are also socializing and sharing. Plus the bonuses of having a great time as a family and with new friends.

ECFE classes operate on a sliding fee scale, so you pay what you can afford – no one is turned away for inability to pay. There is no better investment than your child!

**Fees**
Fees are determined according to a sliding fee scale. Locate your gross yearly family income on the scale. The fee listed is your fee for the class. Please enter that fee on the registration form. The sibling care fee must be paid at registration.

No family will be turned away because of inability to pay. Please call 651-487-4378, ext. 2 to request a fee waiver.

Early Childhood Screening

Early Childhood Screening is a free and simple check of how your child is growing, developing and learning. Screening at 3 years of age is preferred, but a child may be screened between the age of 3 and the start of kindergarten as required by law.

During a screening appointment a trained professional will check:
• Vision and hearing
• Height and weight
• Immunizations (shots)
• Large and small muscles
• Thinking, language and communication skills
• Social and emotional development

What to Bring to a Screening Appointment

• Any questions you have about your child's growth and development
• Your child's immunization record (shots)
• Any forms provided

More Information

This screening may help you link to other free learning opportunities, such as pre-K programming, Early Childhood Family Education (ECFE), Minnesota early learning scholarships for high-quality care and education, Head Start, Home Visiting, and Early Childhood Special Education.

Ready to schedule an appointment?
Daytime, evening and Saturday appointments are available at Parkview Center School. Call 651-487-4378, ext. 3, or email ecf@isd623.org to make an appointment.
We provide support and educational opportunities for all children from birth to kindergarten entry!
