2. Work done in response to October 2nd

3. Q and A
Summarized Concerns

1. Traffic volume at the West Entry

2. Adjacency of the new parking lot to neighbors to the East, West and South

3. Light levels of the new parking lot
Fairview Plan

• Without raising property owners’ taxes, we will construct a building that better meets the needs of the current and future programs and services.
• We will reduce the size of the building while vastly improving the energy efficiency and air quality.
• We will address existing building’s safety needs.
• During the construction of the new building, we will be able to keep the current building open without disruption to programs and services.
Thank you!
