RAHS Option: Blended Learning or Distance Learning

TOWN HALL MEETING
October 22, 2020
Daily screening

Please check your student for symptoms each morning before coming to school using the district screening tool.

HOME SCREENING TOOL LINK

MDH DECISION TREE
Drop off/pick up:

- Students riding the bus will use three entrances and go straight to classrooms. Looking for alternative for family drop off and pick up. For more in depth questions please contact district transportation at 651-635-1638.

- Families/volunteers are not allowed to enter the building.
COVID Safety Expectations

- 6 ft. apart/social distancing; students, teachers and staff

- Cleaning (desks and high touch surfaces everyday and in between classes)
COVID Safety Expectations

- Masks worn at all times (School will provide 2 to each student to start if they do not have one)
- Hand sanitizer will be in all rooms, hallways and bathrooms
- Students will keep their individual supplies in their backpack.
- Currently working on directional traffic for the building for students to follow
Items for school:

- **Water bottle** - please make sure your student brings a water bottle to school everyday. Drinking fountains will not be available. Water bottle filling stations will be accessible.

- **Lockers** - We will **not** be using lockers so students need to keep all materials with them in a backpack.

- **Masks** - Students are required to wear a mask upon entering the building and have an extra one in his/her back pack.
**Lunches:**

- **Nutrition** - All meals will likely be pre-packaged or bring your own. There will likely be only two options for lunch: one from the grill and pre-packaged a grab and go option.

- **Lunchroom** - The RAHS lunchroom can hold around 125 students safely with 6 feet apart and all facing in the same direction. There will be assigned seats. In regular school we have 4 lunches with just about 600 students, therefore if most students choose hybrid, we will likely have lunches in the classroom.
Teachers:

- **Work Remote**- We have teachers who have been approved to work remotely by our Human Resources department for various reasons. If your student has an assigned teacher with work remote status, their experience will be just like it is now in distance learning but they will be seated in a classroom or a large space like the auditorium, lunch room, gym or media center for the period with a staff person supervising many students at once.

- **eMentoring**- Teachers and Staff will continue to support students with our new eMentoring program. You can see who is assigned to your scholar and the work they are doing virtually via Schoology.

Asynchronous day-Wednesdays

Asynchronous (On Demand) Wednesday: Students can use this schedule as a general guide but may move through each period flexibly. Attendance will be taken by completion of learning tasks.

8:00-9:10  Period 1
9:20-10:30 Period 2
10:40-11:50 Period 3
11:50-12:20 Lunch
12:30-1:40  Period 4
1:50-3:00  Period 5
Office Hour 1:30-3:30

*Teachers will be available throughout the day via email to students but will not be present during these class periods in person
Logistics

- **Schoology** is still the place to find classroom content, whether students are distance or blended learning.
- Attendance will still be recorded in **Synergy** (StudentVUE/Parent VUE).
- Students in distance learning, and students who are at home during their 2 at-home days in blended learning will use **Zoom** to attend classes in the same way they have last spring and this fall.
- Parents can make Schoology accounts: request a parent code and then create your account at Schoology.com. This will let you see your child’s class content, their assignment submissions, and their current grades.
- Parents can use the Parent VUE app for Synergy to see attendance and final grades at the end of trimesters.
